

Human Awareness Institute
WORKSHOP SCHOLARSHIP FUND
INFORMATION FOR APPLICANTS

The **Scholarship Fund** for the *Love, Intimacy and Sexuality* workshops, was set up by people who have been to the workshops and who wanted to financially assist other people to experience the Human Awareness Institute workshops. The fund is administered by volunteers who are involved in raising funds and granting scholarships. The Scholarship Team is a volunteer group that is independent of the workshop producers and facilitators.

Priority

In considering applications, **priority** is given to applicants attending a “**Love is a Miracle**” (Level 1) workshop for the first time.

Amount available

For 2011 the total price of a Level 1 is \$675. The **Early Bird Price** is \$620. The maximum scholarship available to an applicant for Level 1 is \$300, and \$250 for Level 2. However, the Scholarship Fund may not be able to provide the full scholarship to every applicant (depending on funds available). The maximum scholarship of \$300 is not available for the other levels of the workshops, scholarships being allocated on a sliding scale depending on the availability of funds.

An additional travel allowance of **up to** \$100 may be available to interstate (or long distance within NSW) participants.

Repeat Applications

If your scholarship application is not granted this time, you are welcome to reapply for any subsequent workshops, and we encourage you to do so. This would apply particularly if your circumstances change or there were insufficient funds available when you applied initially. Funds available fluctuate according to donations received and fundraising activities.

Preference is given to applicants who have not previously received a scholarship, but please do apply again if you are in need of financial assistance.

Confidentiality

Your application will be held in strict confidence, and reviewed only by the Scholarship Team. In turn we request that our response to you also be treated as confidential.

Please return your form to the HAI Scholarship Team
